RubbaGrass®

We provide a range of high quality and affordable rubber grass matting and outdoor field mats. They cover any area size and are ideal for many external uses including outdoor playground matting.

RubbaGrass® rubber grass matting can be placed over existing grass areas and acts as a very cost effective safety surface and excellent product to use for protecting a natural environment.

RubbaGrass® is also simple to install and requires very little preparation. No costly base works are needed as required for conventional rubber play tiles or rubber wet pour. An environmentally friendly solution for grassed areas and ideal for Fitness/fun trials, Swings, Cableways, Multi-functional play frames and pathways.

Features/Benefits:

- Highly versatile
- Excellent resistance and durability
- Provides a safe and comfortable walking surface
- Slip resistant
- Superior safety benefits
- Resists moderate winds and extreme weather conditions
- Tested to BS EN1177:2015

Feature	RubbaGrass®
Product	Anti-Fatigue, Anti-Slip, Safety Surfacing
Size	1.5m x 1m x 22mm 1.5m x 1m x 16mm
Colour	Black Green
Resistant To	Tear and Abrasion
Tested to BS EN1177:2015*	3 Metres Critical Fall Height
PAH Test Result*	Pass
Compound	NR/SBR
Hardness	60° Shore A
Density	1.5 SG
Tensile Strength	4.0 MPA
Elongation	250% [min]
Abrasion Resistance	400.0000 [mm³]
Minimum Temperature	-30°C
Maximum Temperature	+70°C

*Certificates available upon demand

Application Categories: Grass Reinforcement and Porous Paving
